# Gas Ducted Heating

4.5-4.8 Star High Efficiency Low Profile

**After almost 5 years of strenuous task of product development Eco Pacific is introducing to the market a high efficiency fast response low profile Gas Ducted Heater for the residential applications. Fully complied to Australian Standards, all Australian made gas ducted heater has the following features:**

- High efficiency with star rating from 4.5 to 4.8 star
- Models: 12, 16, 20, 25, and 30 kw class – int. & ext.
- Low profile – mostly 435 mm high
- Most models can be taken through the manhole
- Serviced from the front panel
- Single stage with electronic ignition
- Fast heat response and cost savings on gas bills
- Easy to carry handles with easy installation
- Compatible to add-on refrigerative cooling
- Fan box can be separated for internal installation
- Non-condensing – no drain discharge needed
- Range of optional thermostats to operate
- Service call attended within 48 hours
- After sales support through qualified personnel
- 5 year operational warranty in Melbourne metro
- Stainless Steel heat exchanger – 10 years warranty

# Technical Information

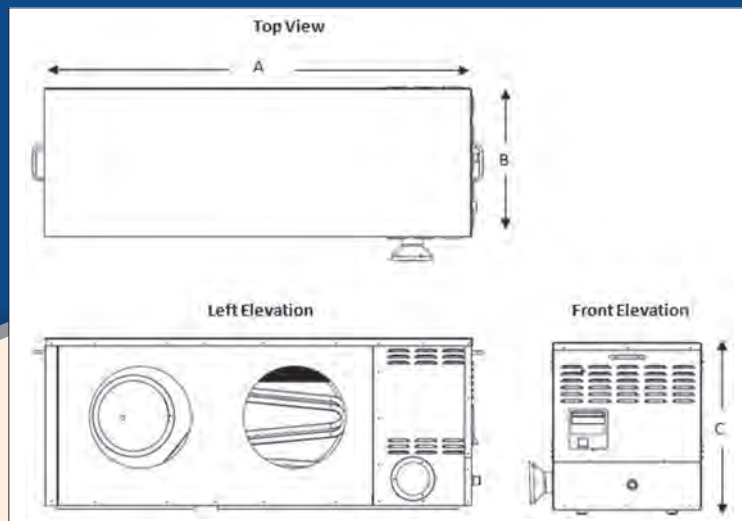

**Table 1: Specifications data**

Item	Model				
	SS512	SS516	SS520	SS525	SS530
Heat Input (MJ/h)	48	64	80	102	120
Heat Output (kW)	12.5	16.5	19.5	26.5	31.5
Air Flow (L/s at 75 Pa ESP)	460	470	630	770	940
Weight (kg)	46	48	58	68	70
Electrical Power(V/Ph/Hz)	240/1/50	240/1/50	240/1/50	240/1/50	240/1/50
Thermostat Control (V)	24	24	24	24	24
Total Current (A)	3	4	4	5	6
Maximum Add-On Cooling (kW)	8	10	12	16	18-20
Star Rating	4.5	4.7	4.5	4.7	4.8

**Table 2: Dimensions (mm), refer Figure below**

Dimensions / Model	SS512	SS516	SS520	SS525	SS530
A- Width	360	360	437	585	585
B- Depth/Length	1160	1160	1200	1160	1160
C- Height	435	435	500	435	435
D- Flue Collar	75	75	75	75	75
E- Duct Connections R/S	300x300	300x300	300x300	350x350	350x350

Due to ongoing R&D, technical specifications can change any time without notice.
